

# SCIENCE OLYMPIAD SCHOLARSHIP FOR IU BLOOMINGTON

---

The Science Olympiad Scholarship is intended to reward high achieving Indiana Science Olympiad students and to encourage them to continue their involvement in Science Olympiad at Indiana University Bloomington.

This spring, FOUR high school students that have been admitted to IU Bloomington with an intended science major in the College of Arts + Sciences will be selected. Each recipient will automatically be inducted as a member of the IU Science Outreach Society, a student organization that helps with Science Olympiad Tournaments and promotes science outreach on campus and in the community.

## STUDENT ELIGIBILITY

Students eligible for this scholarship must:

- be an Indiana resident
- be a high school senior
- have participated in Science Olympiad during high school
- have achieved outstanding academic success in high school with a 3.5 GPA or higher
- be admitted to IU's freshman class for the coming academic year
- have listed an intended science major in the College of Arts and Sciences on their application for admission to IU Bloomington

## NOMINATION PROCESS

Student must be nominated by his/her high school Science Olympiad Coach.

ONLY ONE nomination per student will be accepted.

## DEADLINES & TIMELINE

- 1) Student must submit a [completed application for admission to IU Bloomington](#) by November 1.
- 2) **Nomination form** must be submitted online by February 15.
- 3) Recipients will be notified by March 1.

\*Recipients and nominating coach are invited to attend the Science Olympiad State Tournament where a formal presentation of the scholarship will be made.

## RENEWAL

This is a one-time scholarship and may not be renewed.
